RESPONSE TO RESTRICTION REQUIREMENT WITH TRAVERSE

Sir:

In response to the Examiner's Restriction Requirement of January 10, 2005, setting a one month period for response extending until February 10, 2005, Applicant elects the invention of Group I, with traverse, for the reasons expressed below. Claims 1 - 5 and 8 - 17 are considered to be "readable" on the invention of Group I (as set forth by the Examiner, except for claim 5 which was not identified by the Examiner).

Applicant respectfully traverses the Restriction Requirement. Even if the Examiner's characterization of Groups I - V as defining distinct inventions were to be considered

P21536.A08

correct, Applicant respectfully requests that all of the inventions defined in claims 1 - 20, nevertheless, be examined in the instant application, pursuant to the guidelines set forth in M.P.E.P. §803. That is, the Examiner is respectfully requested to reconsider the requirement and find that there would not appear to be a "serious burden" on the Patent and Trademark Office in examining claims directed to the non-elected inventions since the Examiner will have to search for apparatus and methods quite similar to that of claims 6, 7, and 18 --20 while searching for the apparatus of claims 1 - 5 and 8-17.

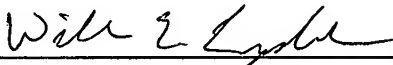

It would appear that the search for the inventions identified by the Examiner would be coextensive or at least significantly overlap. That is, if the Examiner were to perform a search for the invention of Group I, there would not appear to be a serious burden in continuing the examination of the other inventions of Group II - V. For this reason, and consistent with office policy as set forth in M.P.E.P. 803, Applicant respectfully requests that the Examiner reconsider and withdraw the Requirement for Restriction.

For the foregoing reasons, it is submitted that the Requirement for Restriction in this application is improper and it is respectfully requested that it be reconsidered and withdrawn.

P21536.A08

Should the Examiner have any questions, the Examiner is invited to contact the undersigned
at the below-listed telephone number.

Respectfully submitted,
Koji FUJITA
